Victoria Values

Our academy values have been written by our students and are for everyone that shares our academy:

1. Respect each other and work as a team
2. Look after the academy environment
3. Help each other, try your best - never give up
4. Listen to everyone, we use kind words
5. Stay safe, be calm
6. Make the right choices, be positive

Here are our Victoria Values. We expect all children to follow these carefully.

Are you following the values?

In assemblies Mrs Scargill has talked about the values of cooperation and patience. Can you think of an example of when you have shown each of these values?

Staffing Update:

Ms Barnes-Roberts is a little unwell and will be off school for a couple more weeks. Until she is fit and well to return Mrs Proctor will be teaching Ms Barnes-Roberts' class. The children have already been taught by Mrs Proctor this week and they are all settling in together well. We wish Ms Barnes-Roberts a speedy recovery.
