Issue 1 Autumn Term

8th September 2017

Hello,

Welcome back!

I hope you have all enjoyed the summer break and are ready for a new year of exciting learning. Thank you for making such a great start by getting the children to school on time and in the correct uniform. Details of our uniform expectations and arrangements for purchasing uniform are available from the school office.

A very warm “Victoria” welcome to the new children and adults who have joined us this week. Our foundation stage team has been busy visiting the new Reception children at home and we look forward to seeing them in school next week.

There will be lots of information coming out to you in the next few days! Please take the time to read through it all and feel free to contact the office if you have any questions or queries.

Look out for the newsletter each Friday, which is always full of additional information and an update on what the children are enjoying.

Have a great weekend,

H. Scargill

Welcome back to another school year!

Let's make this our best year of attendance EVER!

As before, there will be **awards** and **certificates** for class attendance and individual achievement.

100% club

Those children who ended last term with 100% attendance will be receiving their book very soon.

Punctuality Pencils!

Each month, 6 names will be picked at random (1 from each year) and the winning children will receive a special pencil.

To enter the prize draw, you must be in school on time every day that month.

Be Here Bugs are back!

Children will be awarded with the exclusive **GOLD** bug if they achieved 96% attendance or above last year.

This year our "Bug" theme is countries of the world and there is a whole new set of bugs to collect.

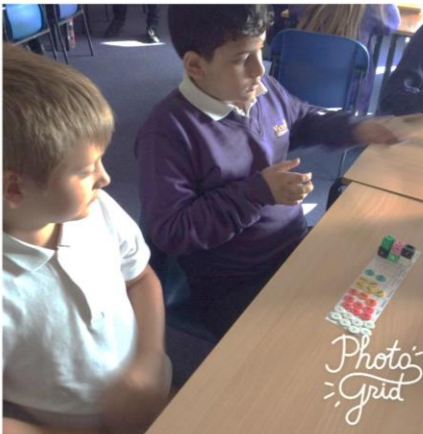

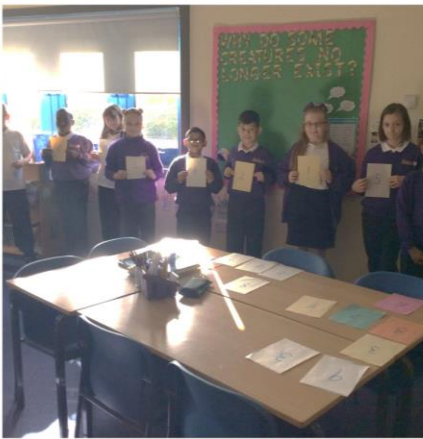

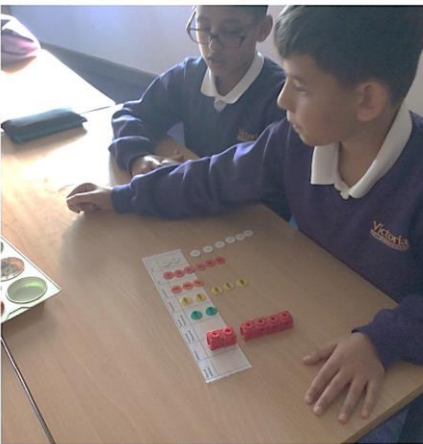

Look out for details on the attendance notice board in the library.

COMPETITION TIME

In keeping with our flag theme, the first, second and third places for class attendance each week are each represented by a special flag. (See above).

There will be a prize for student who can give me the correct name for each flag. Name picked out of a hat in Friday assembly next week.

CLASS NEWS.....

6B are cooperating to learn about place value using numbers up to ten million.

Class 6A labelling our fossils. We're all very excited to find out what they are.

Careful observational drawings of sea shells. It's very calm in 6A this afternoon.

5A are such hard workers, they are even showing the Victoria value of cooperation when discussing what they would say to Zeus if they met him!

YEAR 6 OPEN EVENING AT SIR CHRISTOPHER HATTON ACADEMY

Sir Christopher Hatton Academy Year 6 Open Evening

Tuesday 10th October 2017
