

Our Year 2 Autumn Term 2015 topic is:

Party Planners – Can party food be healthy?

Learning Overview

This term we are extremely excited about our party planners theme. To introduce our theme the Cinderella story will be explored using a variety of drama techniques.

We are going to plan a party for Cinderella and the prince. Healthy foods and healthy eating will play an important part in our end of topic party so we will be learning all about health and lifestyle.

To get the children really excited about their learning an educational visit to a local supermarket is planned where we will learn about where food comes from. Children will taste different foods and learn how to conduct food surveys to help us decide on menus for our party.

We will explore the artist Giuseppe Arcimboldo and create our own fruit faces based on his work. The children will also sketch different fruit and vegetables and

During our daily **maths** lessons we will be exploring numbers, addition and subtraction. We will also at look at number sequences and patterns.

We will also continue to have daily **Read Write Inc and Literacy and Language lessons** to learn and consolidate literacy and phonics skills.

Helping your child.

Please ensure your child's book bag and named PE kit is in school every day.

PE Days are on Mondays and Tuesdays. Earrings must not be worn during PE, the children should be able to take them out by themselves or leave them at home on PE days.

It is essential that the children keep a water bottle in the classroom. This bottle should be named and taken home each afternoon to be washed.

Please continue to read with your child at home and remember to write in the reading diary afterwards.

Your child will bring home homework tasks for the term in a large Homework Book.
