

Our Year 4 Term 1 2015 Family Learning Journey is:

Light and Sound

Hello and welcome to Year 4 !
This term we are going to be learning about Light and Sound. We value your support at home and hope that you can share in your children's learning.

Learning Overview

We will be finding out about light, looking at different light sources, how light travels and what happens when shadows are formed. We will carry out an investigation to see what materials let light through and use these to create silhouette pictures.

We will then look at how sounds are created and how they travel. We will be finding materials that muffle sound, and make a pair of headphones to block out as much sound as possible.

In Literacy we will be writing the next part of a story and creating information leaflets.

In Numeracy we will be looking at calculations, starting with practising addition and subtraction.

Some websites you might like to explore with your child:

- www.mathletics.com
- <http://www.bbc.co.uk/bitesize/ks2/>

Look for the activities on light and sound

Please ensure that your child comes to school each day wearing correct uniform. This includes **black shoes**. Children are not allowed to wear jewellery to school - watches and stud earrings are acceptable. The children should not be wearing bracelets or charity bands.

It is a requirement for all children to take part in PE. They must have a complete change of clothes - purple t shirt, black shorts or jogging bottoms. They should also have a change of shoes.

Mrs Hart's class will do P.E. on a Wednesday and Friday. Mr Smyrl's class on a Wednesday and Thursday.
